

Checklist for Regaining Certification After Failing to Submit Acceptable PT Results

Your application package will not be processed if any of the following items are missing:

- 9** A completed, dated, and signed application. Please mark (at the top of the first page of the application) that this is recertification following failed PT Studies.
- 9** A check for \$125.00 made payable to ASCDHEC@.
- 9** Acceptable Proficiency Testing (PT) sample results for each method and analyte requested. PT samples must be obtained from a NIST-approved provider and be part of a scheduled Water Pollution (WP) or Water Supply (WS) study. These must be submitted by the PT Provider to this Office.

vv If you have any questions concerning a commercial PT sample vendor **o** the application process, please call this office at (803) 896-0970.
